

Plugged In Teen Band Program Scholarship Information

The Plugged In Scholarship Fund was created to meet the need of those students who are interested in participating in Plugged In, but whose family may not have the financial resources to pay for the full tuition.

Plugged In scholarship requests must be made by submitting completed application to the Scholarship Committee at srizkallah@comcast.net. Applicants may be asked for additional proof of need such as tax returns, recent pay stubs and/or letter of reference. Examples of demonstrated need: single parent families with limited income or sudden death or abandonment of the primary provider.

Applicants must pay 50% toward the cost of the program. This amount will not be covered by scholarship funds. A minimum payment of \$120 must be submitted when scholarship is approved and balance paid in full by the end of the session.

Scholarship Application

Parent's Name: _____ Address: _____

Zip: _____ Phone Number: _____ E-mail address: _____

I am applying for a scholarship for:

Child's Name: _____

Session Date: _____

Please describe the situation you feel qualifies you for scholarship money:
